ANALYST SCENARIO CARD

TEAM 1

Campus Event System

SCENARIO

The university is considering a system to better support campus events. You will interview a Student Organization President who regularly organizes events.

YOU ALREADY KNOW THAT…

- The organization holds several events during the semester.
- The president is involved in organizing and promoting these events.

WHAT ELSE CAN YOU ADD?

KNOW

What else is directly supported by the scenario?

ASSUME

What seems possible or likely, but has not been confirmed?

NEED TO DISCOVER

What do you need to learn from this stakeholder?

DO NOT WRITE REQUIREMENTS OR PROPOSE FEATURES YET. YOUR GOAL IS TO DECIDE WHAT YOU NEED TO LEARN.

ANALYST SCENARIO CARD

TEAM 2

Fitness Center System

SCENARIO

The university is exploring improvements to digital services for the campus recreation center. You will interview a student who uses the recreation center regularly.

YOU ALREADY KNOW THAT…

- The student uses the recreation center regularly.
- Their experience can help us understand how students currently use recreation-center services.

WHAT ELSE CAN YOU ADD?

KNOW

What else is directly supported by the scenario?

ASSUME

What seems possible or likely, but has not been confirmed?

NEED TO DISCOVER

What do you need to learn from this stakeholder?

DO NOT WRITE REQUIREMENTS OR PROPOSE FEATURES YET. YOUR GOAL IS TO DECIDE WHAT YOU NEED TO LEARN.

ANALYST SCENARIO CARD

TEAM 3

Library Study-Room System

SCENARIO

The library is reviewing how students reserve and use group study rooms. You will interview a student who frequently reserves rooms for group projects.

YOU ALREADY KNOW THAT…

- The student regularly reserves study rooms.
- The rooms are used for group work.

WHAT ELSE CAN YOU ADD?

KNOW

What else is directly supported by the scenario?

ASSUME

What seems possible or likely, but has not been confirmed?

NEED TO DISCOVER

What do you need to learn from this stakeholder?

DO NOT WRITE REQUIREMENTS OR PROPOSE FEATURES YET. YOUR GOAL IS TO DECIDE WHAT YOU NEED TO LEARN.

TEAM 4

Restaurant Ordering System

SCENARIO

A local restaurant is reviewing its online ordering process. You will interview a shift manager who works with online orders during busy periods.

YOU ALREADY KNOW THAT…

- The restaurant currently accepts online orders.
- The shift manager has experience handling those orders during busy periods.

WHAT ELSE CAN YOU ADD?

KNOW

What else is directly supported by the scenario?

ASSUME

What seems possible or likely, but has not been confirmed?

NEED TO DISCOVER

What do you need to learn from this stakeholder?

DO NOT WRITE REQUIREMENTS OR PROPOSE FEATURES YET. YOUR GOAL IS TO DECIDE WHAT YOU NEED TO LEARN.

ANALYST SCENARIO CARD

TEAM 5

Course Registration System

SCENARIO

The university is considering changes to its course-registration system. You will interview an Academic Advisor who helps students with registration.

YOU ALREADY KNOW THAT…

- Students use the system to register for courses.
- The advisor helps students when they encounter registration-related issues.

WHAT ELSE CAN YOU ADD?

KNOW

What else is directly supported by the scenario?

ASSUME

What seems possible or likely, but has not been confirmed?

NEED TO DISCOVER

What do you need to learn from this stakeholder?

DO NOT WRITE REQUIREMENTS OR PROPOSE FEATURES YET. YOUR GOAL IS TO DECIDE WHAT YOU NEED TO LEARN.
